

# DRINKING WATER SOURCE PROTECTION

ACT FOR CLEAN WATER

## CTC Source Protection Region

### ***Have a Voice and Help Protect Drinking Water in Your Community***

The CTC Source Protection Committee is a group of citizens representing general public, municipal, business and interest group sectors from across the Credit Valley, Toronto and Region and Central Lake Ontario Source Protection Areas. The Committee is charged with creating Assessment Reports which identify the location and nature of potential risks to sources of municipal drinking water. Visit [www.ctcswp.ca](http://www.ctcswp.ca) for more information.

The CTC Source Protection Committee (SPC) has completed the first draft of the Proposed Assessment Report: Central Lake Ontario Source Protection Area. The draft report is available for public review and comment from April 9, 2010 to May 14, 2010 and provides information on the quality and quantity of drinking water sources for parts of the Region of Durham. Members of the public are invited to review and provide comments on this report until 4:30pm on May 14, 2010.

Copies of the report are available at:

- Posted online at [www.ctcswp.ca](http://www.ctcswp.ca)
- On compact disc by request to [sourcewater@trca.on.ca](mailto:sourcewater@trca.on.ca)
