

## CTC Source Protection Committee Members Biography

**Robert Burnside**

**Municipal**

Robert Burnside has retired from the position of consulting engineer in Orangeville after 40 years in the field. Mr. Burnside has life-long ties with the area he represents on the CTC Source Protection Committee (SPC). He started RJ Burnside & Associates Ltd in 1970 and was president of the company until 2000, after which he entered semi-retirement.

Currently the firm has 12 offices, nine of which are in Ontario, and approximately 275 staff. RJ Burnside & Assoc. provides a wide range of technical services for municipalities, the aboriginal community and the private sector. Robert Burnside is currently chair of the RJ Burnside Board of Directors.

Mr. Burnside has a Bachelor of Science in Agriculture and a Master of Science degree with studies in ground and surface water. He is a professional engineer and a designated consulting engineer.

Mr. Burnside has a record of volunteer positions on municipal committees, in service club work, and has served on seven different community fundraising committees.
