

NOTICE OF PUBLIC CONSULTATION

Amendments to the Approved Credit Valley – Toronto and Region – Central Lake Ontario (CTC) Source Protection Plan

June 5 – July 12, 2023

The Approved CTC Source Protection Plan (2015) identifies and evaluates water quality and quantity threats to municipal sources of drinking water. The Plan requires the action of multiple stakeholders and property owners to protect the water supplying municipal drinking water systems.

Proposed amendments include updates to drinking water systems in Peel Region, York Region, and City of Toronto. Policy revisions are also proposed for certain types of chemicals (DNAPLs & organic solvents) and the existing threat activity definition, and transition and timelines.

Hard copies of the proposed updates to the Proposed Amended CTC Source Protection Plan, including the Toronto and Region and Credit Valley Assessment Reports can be viewed during regular office hours at the following locations:

Toronto and Region Conservation Authority – 101 Exchange Avenue, Vaughan, ON
Credit Valley Conservation - 1255 Old Derry Road, Mississauga, ON
Region of Peel - 10 Peel Centre Drive, Suite B, Brampton, ON
Town of Caledon - 6311 Old Church Road, Caledon, ON
