6. Minutes of Previous Meetings

J. Ivey summarized the amendments to the provided 2020 meeting minutes. The SPC noted a required correction to the meeting date recorded in the draft minutes for the April 29, 2020 meeting.

Moved by: John Presta

Seconded by: Julia Aboucher

Resolution # 2/21:

THAT the amended minutes of the April 29, 2020 Part 1 meeting, the amended minutes of the May 13, 2020 meeting, and the minutes of the November 23, 2020 meeting be approved.

CARRIED

6.1 Business arising from Previous Minutes

a. Update to the proposed schedule of 2021 CTC SPC meetings

J. Ivey explained that the May 2021 meeting needs to be rescheduled to March 2021 to meet annual progress reporting requirements.

7. Committee Business

7.1 Presentations

a. CTC Program Update

- **2021/2022 Work Plan Development**
- **Source Protection Committee member recruitment and orientation**

Presentation by J. Ivey, Chief Specialist, Watershed Plans and Source Water Protection; C. Jacques, Specialist, Watershed Plans and Source Water Protection, Credit Valley Conservation

J. Ivey provided a program update; the 2021-2022 work plan was submitted to MECP in late December 2020; a follow-up meeting with MECP is scheduled for next week.

The federal government has posted a proposal for a new Canada Water Agency; members were invited to provide feedback to the Chair and J. Ivey for a CTC submission letter.

Members discussed committee member recruitment and public engagement for the program.

The Chair and the program manager will discuss further the Committee's potential role in advocating on program direction.

At 10:20 a.m., quorum was noted as having been lost during Item 7.1a.

Staff noted that Committee business and resolutions will be revisited if quorum is regained today or otherwise will be brought back next meeting.

7.2 Reports to Committee

a. Municipal Work Plans to Complete Risk Management Plans for Existing Significant Drinking Water Threats

J. Ivey provided an overview of proposed municipal workplans to

complete outstanding Risk Management Plans (RMPs) by a revised Dec. 31, 2023 deadline.

CTC staff will check with Risk Management Officials into whether salt related RMP templates can be shared with the Committee.

CTC staff will review whether a narrative approach to describing policy challenges and implementation would be useful for future SPC meetings.

At 10:38 a.m., quorum was noted as having been regained during Item 7.2a.

Moved by: Louise Foster

Seconded by: Lee Gould

Resolution # 3/21:

IT IS RECOMMENDED THAT the CTC Source Protection Committee receive the report on municipal work plans to complete risk management plans for existing significant drinking water threats for information;

AND FURTHER THAT CTC staff be directed to submit the municipal work plans, accompanied by this report, to the Ministry of the Environment, Conservation and Parks by May 1, 2021.

CARRIED

Moved by: Julie Aboucher

Seconded by: Dan Bunner

Resolution # 4/21 (regarding earlier presentation in Item 7.1a):

THAT the presentation be received.
